

"Don't Speak to me."

All manner of extravagant expressions are possible when a woman's nerves are overwrought.

The spasm at the top of the wind pipe or bronchial tubes, "ball rising in the throat," violent beating of the heart, laughing and crying by turns, muscular spasms (throwing the arms about), frightened by the most insignificant occurrences—are all symptoms of a hysterical condition and serious derangement of the female organs.

Any female complaint may produce hysterics, which must be regarded as a symptom only. The cause, however, yields quickly to Lydia E. Pinkham's Vegetable Compound, which acts at once upon the organ afflicted and the nerve centers, dispelling effectually all those distressing symptoms.

Mrs. Lewis Says: "I Feel Like a New Person, Physically and Mentally."

"DEAR MRS. PINKHAM:—I wish to speak a good word for Lydia E. Pinkham's Vegetable Compound. For years I had ovarian trouble and suffered everything from nervousness, severe headache, and pain in back and abdomen. I had consulted different physicians, but decided to try your medicine, and I soon found it was giving me much relief. I continued its use and now am feeling like a new person, physically and mentally, and am glad to add one more testimonial to the value of your remedy."—Mrs. M. H. LEWIS, 2108 Valentine Ave., Tremont, New York, N. Y.

Writing to Mrs. Pinkham is the quickest and surest way to get the right advice about all female troubles. Her address is Lynn, Mass. She advises women free. Following is an instance:

Mrs. Haven's First Letter to Mrs. Pinkham.

"DEAR MRS. PINKHAM:—I would like your advice in regard to my troubles. I suffer every month at time of menstruation, and flow so much and for so long that I become very weak, also get very dizzy. I am troubled with a discharge before and after menses, have pains in ovaries so bad sometimes that I can hardly get around, have sore feeling in lower part of bowels, pain in back, bearing-down feeling, a desire to pass urine frequently, with pains in passing it; have leucorrhoea, headache, fainting spells, and sometimes have hysteria. My blood is not in good condition. Hoping to hear from you, I am, Mrs. EMMA HAVEN, 2508 South Ave., Council Bluffs, Iowa. (June 8, 1899.)

Mrs. Haven's Second Letter.

"DEAR MRS. PINKHAM:—I wish to express my gratitude for what your medicine has done for me. I suffered for four years with womb trouble. Every month I flowed very badly. I got so bad that I could hardly do my work. Was obliged to sit or lie down the most of the time. I doctored for a long time, but obtained no relief. I began using your remedies—Lydia E. Pinkham's Vegetable Compound, Blood Purifier, Sanative Wash and Liver Pills—and now feel like a new woman."—Mrs. EMMA HAVEN, 2508 South Ave., Council Bluffs, Iowa. (Feb. 1, 1900.)

\$5000 REWARD

Owing to the fact that some skeptical people have from time to time questioned the genuineness of the testimonial letters we are constantly publishing, we have deposited with the National City Bank of New York, \$5,000, which will be paid to any person who will show that the above testimonial is not genuine, or were published before obtaining the writers' special permission.—LYDIA E. ENRAPPORT WITH AMERICA.

Seat of Aguinaldo's Capital Now
in That Position.

THEY ARE PURE TAGALOGS.

New York, April 27.—Correspondence from agents of the associated press tells this: Of all the significant scenes witnessed during the first hours of the United States Philippine commission organizing provincial governments in Luzon the most striking was the dramatic episode which wound up the public session at Bulacan the old capital of the province of that name. Bulacan was considered the center of the insurrection. Its inhabitants are pure Tagalogs, active fighters in war and apparently so from the start in politics. Malolos, its most populous and centrally located town according to common repute still gloried in having been the seat of Aguinaldo's capital and its people still surreptitiously opposed to bowing before American authority.

To the people of Bulacan and, especially to the delegates from the Malolos district, sessions of the commission were a revelation. They came cowed and curious, and departed many of them with tears in their eyes, full of confident hopes for the future of their country. To them such hopes were indeed a new sensation after the years of harassing, dogged, practically hopeless warfare. The frank fair statements of the representatives of the president of the United States impressed them mightily. They came in factions chiefly imbued with the idea of landing their respective candidates in the provincial offices; they left satisfied with the results and enrapport with American principles.

Ohio Flood Situation.

Cincinnati, April 29.—The Ohio river became stationary on the 26th and remained so for a day or more, then commenced to fall slowly. The conditions on both sides of the river are serious. Favorable weather is reported throughout the valley. Above Cincinnati there is distress and relief committees are active.

There have been 500 residences flooded in the east end of Cincinnati, and more on the west side; nor does this include the flooded districts on the river frontage. The situation in Kentucky river towns is equally distressing. Thousands are out of work, but many of the plants have resumed work.

Philippine Agent Going Home.

Springfield, Mass., April 29.—Senor Sixto Lopez has informed his friends here that he is going home, and that if he finds the press reports true as to a general submission to American sovereignty, he will acquiesce and join Aguinaldo in working for a peaceful acceptance of the rule. He said he will make one more speech, in San Francisco, before sailing, and expects to reach Manila in July.

Boy Falls into a Mining Shaft.

Galena, Kans., April 29.—Eddie, the 13-year-old son of Mr. and Mrs. Fred Bush, while playing around an abandoned shaft in North Empire, fell into it. The shaft was over forty feet deep and he sustained a fractured skull, besides other injuries that will prove fatal.

New Editor Elected.

Cincinnati, O., April 29.—David S. Thompson is elected editor of the Northwestern Christian Advocate of Chicago, by the book committee of the Methodist Episcopal church, to succeed Rev. Dr. Arthur Edwards, deceased.

A Kansas Heir to a Throne.

Kansas City, April 27.—Eugene Schuyler, a former attaché of the United States embassy at Constantinople, but now a well known New York attorney, stopped here enroute to visit Andree Boyne de Lazar, at his farm near Dodge City, Kas. He has full evidence with him to establish for Lazar his heirship to the throne of Serbia. Lazar's father settled in Minnesota but went to Serbia to establish his heirship and died there.

Wanted to Enstun the Empress.

Paris, April 29.—The Gaulois affirms that Gen. Bailloud and Col. Marchand, contemplated an attempt to seize the Chinese empress and court. Gen. Bailloud approached Col. Marchand and asked him if he would undertake a certain enterprise which would very probably hasten the end of hostilities. The colonel was willing and Gen. Bailloud and Marchand drew up a plan, the execution of which was venturesome and feasible. The diplomats, however, opposed the scheme and it fell through.

Western Kansas Paying up.

Topeka, April 27.—"It is remarkable how people in Western Kansas are paying up back interest and principal on school land purchases," said State Auditor Cole. "Hundreds of them were in arrears for years. The move on the part of the state to find out who had defaulted in payment, with a view of readjusting the lands for sale, has caused them to come to the front and pay up. They have decided that Western Kansas lands, after all, are pretty good property."

**MAM-M-MA!!
DON'T YOU HEAR BABY CRY?**

Do you forget that summer's coming with all its dangers to the little ones—all troubles bred in the bowels.

The summer's heat kills babies and little children because their little insides are not in good, clean, strong condition.

Winter has filled the system with bile. Belching, vomiting up of sour food, rash, flushed skin, colic, restlessness, diarrhoea or constipation, all testify that the bowels are out of order.

If you want the little ones to face the coming dangers without anxious fear for their lives, see that the baby's bowels are gently, soothingly, but positively cleaned out in the spring time, and made strong and healthy before hot weather sets in.

The only safe laxative for children, pleasant to take (they ask for more) is CASCARETS. Nursing mothers make their milk mildly purgative for the baby by eating a CASCARET now and then. Mama eats a CASCARET, baby gets the benefit. Try it! Send for a 10c box of CASCARETS to-day and you will find that, as we guarantee, all irregularities of the little and big children's insides are
